WNB Financial, a full-service bank committed to providing excellent service and financial solutions, partnered with Midtown Foods and Winona Volunteer services for the Minnesota Foodshare March Campaign.

WNB sponsors and coordinates the Grocery Grab event, where local businesses compete against WNB Financial to gather the most groceries in a ninety-second run through Midtown Foods. If a team outshops WNB for the highest dollar amount of groceries, WNB will pay for their entire cart in addition to the WNB cart. All other local business participants purchase their own collected groceries—all of which are donated to the Food Shelf to fight food insecurity in the community.

This year, WNB Financial took home the golden trophy with a grand total of \$719.54. It was a tight race, with Sugar Loaf Senior Living collecting \$700.10 in the first run. The other competing businesses include Midwest Metal Products, Edina Realty, Farmers Insurance, Fastenal, Bloedow Bakery, Winona Health, and Peerless Chain.

WNB Financial is grateful to the local businesses that participated, collecting just over 1,200 pounds of food and supplies for Winona Volunteer Services. These donations will help Winona Volunteer Services continue to provide a meaningful difference to those facing food insecurity.

Visit [www.winonavs.org](http://www.winonavs.org) to donate online or mail checks to:

Winona Volunteer Services  
402 East 2<sup>nd</sup> Street  
Winona, MN 55987

and write "Food Shelf" on the memo line.
